

# [Healthiest Manitowoc County](#)

[Healthiest Manitowoc County \(HMC\)](#) was established in 2004 to provide oversight for community health improvement activities in Manitowoc County. HMC coordinates the Community Health Assessment and Improvement Planning process and establishes coalitions to address the high priority needs in the community. The current health improvement priorities are:

- Physical Activity and Nutrition
- Access to Health Services
- Worksite Wellness
- Investing Early
- Substance Abuse and Mental Health

Visit us online at [healthiestmc.org](http://healthiestmc.org) to read more about the coalitions accomplishments and current action items. If you would like to get involved in HMC please send an email to us.
